Informations
about the pre-booked accommodations
Hiddensee Island

small escapes

As the accommodation on the island is usually as good as booked up a year in advance, blüh has reserved:

- (usually double) rooms in holiday flats
- rooms for single use or 2 persons in an appartement house (please notice you have to drive by bicycle to the workshop location, easy drive for 15-20 minutes)

Due to the shortage of accommodation on the island, only longer bookings are accepted, mostly only by the week.
